## DIRECTIONS TO IMMUNOCORE LIMITED

Enter the park from the A34 and pass the Park Security Building on your left. At the roundabout the Park Centre is on your right (a large ‘tent like’ building) – go straight over the roundabout. Pass through the pedestrian crossing traffic lights and then take the next left. Immunocore Limited is the second low-level white building on your left. Take the next turning on the left and the visitor parking is immediately on your left.

## BY RAIL

Didcot Parkway station is only 3 miles to the east of Milton Park and is a 5 minute taxi ride from the Immunocore offices. Didcot provides frequent and fast rail connections to London and the West.
